International Materials Slam 2022

3 dates – your opportunity –
check out the wonders of Materials Science

What's in it for you?

- Two mind-boggling talks by our experts
- One evening of fun and inspiring science slams

How can you get involved?

- You want to inspire others by your work/ideas?
→ Submit a video of you presenting your work/idea in under 5 minutes for the science slam
- You want to test your or someone else's impromptu skills?
→ Join PPT-Karaoke as a submitter, presenter, or both.

Cash Prizes to be won for both the afore events

We highly recommend taking part in all the three days for maximal fun!
